Red River Ranks Number Seven on *CRN Magazine's* Fast Growth List Red River's Fifty Percent Growth Rate Makes it One of Fifty Up-And-Coming VARs

Claremont, NH (November 18th, 2009) – Red River, an integrator of information technology solutions with expertise in the public sector and healthcare markets, announced today that it earned a top spot on *CRN Magazine's* "50 Up-And-Coming VARs" list, which recognizes companies who have achieved significant growth in a down economy.

The 50 Up-And-Coming VARs list spotlights companies who, in spite of declining IT expenditures, have been able to acquire new customers and tap into emerging markets. Red River Computer Company, based in New Hampshire, ranked number seven on the CRN list with fifty percent revenue growth.

Red River CEO Rick Bolduc said, "We are pleased to be recognized by CRN Magazine, and to be in the company of such a high caliber of businesses. Our success is attributable to our customer centric culture, our partnerships with industry-leading manufacturers, and our proven ability to help customers improve efficiencies."

About Red River

Red River is a leading provider of information technology solutions to the federal, state and local governments, higher education and the health care marketplace.
